About Ability Options

We provide disability and employment services at 94 sites across the East Coast of NSW.

We also operate in the Illawarra and Hunter Regions and have community partners on the Mid North Coast and Northern Beaches.

Through personalised and responsive support, we help individuals achieve their goals, build their self-esteem and independence.

We pride ourselves in:

- assisting people to live in their own homes
- providing meaningful opportunities for inclusion in the local community
- offering work experience and employment opportunities, and
- connecting people to National Disability Insurance Scheme (NDIS) services
