Why choose Ability Options?

Supporting choice for people living with disability has been at the heart of Ability Options for nearly 50 years.

Our day programs are flexible, inclusive, and shaped by you. With a strong focus on choice, independence, and capacity building, we offer weekday and evening sessions tailored to your interests and NDIS goals. Many of our locations feature modern facilities with spaces for art, sensory activities, games, and outdoor connection. We also offer accessible transport options at most of our sites for outings and group activities.
