

Step into something new at Wallsend

New High Physical Support SDA home in Wallsend, purpose-built for participants with complex physical needs.

Ready in early 2026, this fully accessible home features three large bedrooms with private ensuites, adjustable bench heights, and reinforced walls for safe manual handling and hoist use. Shared spaces include an open-plan kitchen and living area, a breakout room, and an undercover patio. Set on a quiet corner block, with dedicated transport to local amenities and natural attractions close-by, your new home is designed for comfort and connection.

Exceptional Support. Quality Care

Supporting people living with disability is at the heart of Ability Options. We understand that the best support is co-designed with you, which is why we work closely to understand your goals and empower you to live the life you choose.

Every aspect of your care is guided by best-practice standards to ensure your safety and comfort. Our skilled staff are available 24/7 to support you with daily living and more complex care needs, all underpinned by exceptional quality assurance management.

As a recognised sector leader with nearly 50 years experience supporting people with disability, Ability Options delivers high-quality, NDIS-registered supports you can trust.
